FemLink

The idea for FemLink, the "international video-collage," was born between two artists, Véronique Sapin (France) and C.M. Judge (USA) in 2005. Their wish was to build a link throughout the world between women video artists and their work. Since 2006, they have curated 8 thematic video compilations featuring 149 artists from 64 countries, which have been screened across the globe. Each week, a new video compilation will be screened at Gallery Aferro:
